

## INSURANCE

At the beginning of each school year, every pupil shall be given the opportunity to purchase accident insurance that is in force during schooltime.

The policy covers pupils in cases of accidents occurring on the way to and from school, during school hours, and while participating in school-sponsored activities. Accidents which occur under the terms of the policy shall be reported to the school nurse's office immediately in accordance with established procedures.

The Holmdel Township Board of Education shall provide insurance coverage for all pupils participating in interscholastic athletic activities.
