PUBLIC PERFORMANCES AND EXHIBITIONS

While the Holmdel Township Board of Education encourages the presentation of performances and exhibitions displaying the talents and accomplishments of pupils, it directs both building and district administration to consider carefully the effects on instructional time of any such proposed activity.

Principals and directors of activities shall:

A. Maintain high standards of performance and conduct in all programs selected;

B. Review all program materials and offerings in advance of scheduling to determine sound educational value;

C. Consult with the Superintendent and through the Superintendent with the Board, on possible controversial presentations; and

D. Make an effort to increase pupil involvement in planning and make greater use of community resources as opposed to paid professional performances.

When a performance is requested by an organization not connected with the schools, the organization shall pay all expenses.
