“The key to success is not through achievement, but through enthusiasm.”
~ Malcolm Forbes

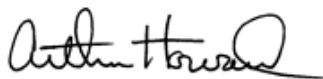

I would like to say greetings and welcome back to the entire Satz School community. It's a pleasure to be able to address all of you once again as the Satz School's Principal. I look forward to working each of you as we once again work together to make this the best year for all of our students. I am eager and excited about all the possibilities that lie before us all.

You can always count on something positive going on at Satz -- from Project Plus to the Fall Play, to Builder's Club and the Bridges program, we do our best to provide the most optimal opportunities for our students to learn and grow, not only academically but socially as well. There are numerous activities available for your child to participate in during the school year. We have a variety of different sports, like baseball, basketball and track; specialty programs in music, like Chorus, Jazz band and Concert band; performing opportunities in our play, musical and talent show; membership with the National Junior Honor Society, the Student Council and school newspaper, along with a host of other exciting clubs, groups and activities. We value the participation of our students in these programs, as well as the commitment and dedication of our faculty and staff to advise them.

A large part of our school's mission is to educate the whole child, ensuring that our students attain the knowledge, skills, and values necessary to make them life-long learners and productive citizens where all are valued. Your support of this mission is critical to the success of our school. I urge all of you to become as involved and informed about our school as possible. We very much appreciate the participation and commitment of our community members, as it is imperative to the success of the educational process.

So once again, please accept my sincere welcome and heartfelt wishes for a successful school year for you and your entire family. Let's continue to work together to make this the best year ever for all of the students in Satz!

Sincerely,

Arthur Howard, Principal

I would like to welcome all of our families and staff back to another exciting and productive school year. It has been a wonderful start with students quickly adjusting to their new schedules and routines. We are very excited to embark on another great year. It is our hope that the students will be inspired to give their personal best and make this the best year possible.

There are many opportunities to get involved here at Satz School. We have just implemented a new Character Education program called Generation text on-line to help educate students on cyber bullying and the new HIB laws. We are confident that students will embrace these discussions and activities. We also offer programs such as: Student Council, Builder's Club, Yearbook, Youth Alliance, Student Ambassadors, Math Club, and Project Plus just to name a few. Auditions for the school play have already taken place and is currently under way. We encourage the students to join a committee or club and to take advantage of the many opportunities that are offered.

Furthermore, girls' soccer, boys' soccer, field hockey, and cross country athletes have all started practicing for their upcoming games. I wish them a very fun and successful season!

It is always our goal here at Satz to ensure the best education possible filled with warm, fun memories. I am confident that our students will have great success and appreciate the opportunity to share in their achievements.

PSG President's Message

Welcome back! We hope you had a relaxing summer and a smooth transition back into the school year. We've already had our first PSG meeting, Back to School Night, End of the Beginning BBQ, and teacher's luncheon on Oct. 7th.

The Teacher's Luncheon was terrific! We want to thank all of you who donated either a food item, or your time in setting up this event! It is our way of showing our gratitude to our fabulous teachers for all of their extra efforts in educating our children.

The students have already had their first PSG treat, the End of the Beginning BBQ. On September 28th, they were treated to a delicious lunch of freshly grilled burgers and hot dogs. Thanks to Rosanne Wreidt for her efforts in coordinating the event and to all of the volunteers who helped make it run so smoothly.

Our biggest fundraising event of the year is our write a check campaign. The letters went home in the back to school packets and we ask you to be generous with your donations. All of the funds that we raise go back to the students. We sponsor the 8th grade graduation dance each year and we want to be able to continue this special event. If you lost your form, you can just send a check in with your child – just put it in an envelope addressed to PSG Fundraising. Thanks in advance for your generous donations.

We are also asking for each family to join the PSG. Membership is only \$10 per family and the flyer was also included in the back to school packet. If you've misplaced your form, just send \$10 in an envelope addressed to PSG Membership. Be sure to include your child's name on the envelope or check, made out to "WR Satz PSG". Please include your email address, so that we can include you in our emails and keep you up to date.

Our meetings are held on the 3rd Monday of the month at 9:30 in the Cyber Center (Library). Our next meeting is Monday, October 17 at 9:30. Please come! The meetings are your connection to what is going on at Satz. We discuss current issues and Mr. Howard and Mrs. Marino are always present to listen to our concerns. We also have a light breakfast and coffee brewing!

If you have any concerns or questions, please don't hesitate to contact us. Alyssa may be reached by e-mail at briancoffaro@msn.com, and Lisa may be reached at lisacu7@gmail.com.

Thank you,
Alyssa Coffaro

HCAA - Holmdel Creative Arts Association

Mary Pomarico - President

On behalf of the Holmdel Creative Arts Association, we welcome our new incoming students and our returning students. We know that you will have a wonderful and enjoyable year. Thank you to Mrs. Daly who has been our HCAA President for last four years. She has done a wonderful job leading us. Over the last four years the HCAA has gifted to the district schools almost \$50,000!

The Holmdel Creative Arts Association (HCAA) is a parent support group for the arts in all of our schools. We are actively fundraising now thru our membership drive, our Ad Journal and Dedication plates. These funds are used to provide materials and equipment to enhance the arts in the schools. We also award scholarships to graduating seniors. Other fundraising we do throughout the school year includes selling flowers, photos and refreshments at Indian Hill, Satz and High School theater productions.

If you have a child who is interested in art, graphic art, photography, drama, or television production, we highly recommend that you become an active member of our group. Our meetings are generally the first Monday of the month. Our next meeting is Monday, November 7, 2011 and will be held at the High School Upper Library Conference Room at 9am.

The 2010/2011 HCAA executive board:

President: Mary Pomarico

1st Vice President Membership: Cathy Sorice

2nd Vice President Fundraising: Pam Lynch

Secretary: Irene Shapiro

Treasurer: Shikha Dombeck

Members at Large: Karen Strickland, Barbara Daly, Marylou Moramarco

If you are unable to attend meetings but would like to support the arts, please consider joining as a Broadway Sponsor for \$100.00, Off Broadway Sponsor for \$50.00, Patron Member for \$25.00 or a Supporting Member for \$10.00.

Membership payment (payable to HCAA) may be sent to HCAA, P.O. Box 273, Holmdel, NJ 07733.

If you would like to place an advertisement in the HCAA Ad Journal, please

contact Pam Lynch at pammylynch@comcast.net. The Journal is distributed at all Indian Hill, Satz and High School productions and will reach the homes of many prospective clients, customers and friends.

In appreciation for your support, you will receive two complimentary tickets for each of the High School shows. Tickets must be reserved one week ahead. Please contact me at mpomarico1@verizon.net to reserve your tickets.

With the support of the HCAA members and dedicated teachers and advisors, our children have the opportunity to perform with confidence on the stage and express their creativity by building sets, producing films and creating original artwork and photography. So many of our graduating students have gone on to work in the arts in various fields. Even if your child doesn't pursue an art related career, it is proven children do better in schools when they are involved in the arts.

If you would like to be placed on our email list to receive meeting reminders, meeting minutes and other pertinent HCAA information, please email me. Please call or email with any suggestions or concerns. Thanks and I look forward to working with the creative community of Holmdel High School.

Sincerely,

Mary Pomarico
