

## **HOLMDEL TOWNSHIP PUBLIC SCHOOLS** *Office of the Superintendent*

March 25, 2022

Dear Holmdel Public Schools Community,

I hope this finds you all well and having had a good first week of spring. It was a busy and productive week as I began my service as your superintendent of schools. In my travels throughout the buildings, I was impressed with the state of the facilities, the warm welcome from students and staff, and the high level of student engagement which I observed.

It is an exciting time in the district with much going on. The high school spring musical Oklahoma opened up last night, there will be performances tonight and Saturday at 7:00 PM in the high school auditorium. We congratulate the student performers on all of their hard work and preparation which went into these performances. Admission is open to the public and we hope to see you there.

The spring sport seasons kicked off this week with practices and scrimmages. We wish our student athletes the best of luck for safe, successful, and rewarding experiences this spring. I'm looking forward to getting out to the games and matches and supporting our outstanding student athletes.

On Monday, March 28th, the 3v3 charity basketball tournament will take place at the high school from 6:30 to 9:30 PM. All proceeds will benefit [Alex's Lemonade Stand](#). We invite our community members to come out for a fun family night for a great cause.

In case you missed it, I will be holding the first of my community listening sessions on Tuesday, March 29 at 7:00 PM in the high school auditorium. I look forward to seeing you there so I can learn more about your aspirations and goals for our school district and to become better acquainted.

Later today, the winter LinkIt benchmark student reports will be shared along with a letter providing some helpful information on how to interpret the score reports and some high-level takeaways from the data. I encourage you to review them and please feel free to reach out to

your teachers and/or the administrators identified in the letter for additional information. There will be a presentation at the April 6 board meeting where these results will be shared and explained in greater depth.

I thank you in advance for your time and consideration and wish you and yours all the best for a restful and enjoyable weekend.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Scott Cascone". The signature is fluid and cursive, with a prominent initial "J" and a long, sweeping underline.

Dr. J. Scott Cascone  
Superintendent of Schools
