

## HOLMDEL TOWNSHIP PUBLIC SCHOOLS *Office of the Superintendent*

April 1, 2022

Dear Holmdel Public Schools Community,

I hope this finds you all well. It was another busy and successful week in our school district.

I would like to thank all those community members who attended my listening session on Tuesday, March 29. I have linked the [video recording](#) of the session for the convenience and viewing of those who are not able to attend in person. Please note that there was some technical difficulty with the audio in the audience. Nevertheless, the video will offer some valuable and constructive insights and information on my stance on various educational matters, as well as some additional information with regard to my professional background.

Just a reminder that the board will hold a public meeting on Wednesday, April 6 in person at the high school media center at 7:00. The meeting will also be accessible via Zoom, the link to which will be posted to the following district [webpage](#) within 24 hours of the meeting. The board will continue to take questions from the public through this medium. We look forward to seeing you there.

There are a couple of noteworthy events taking place in the district this week, the District Music Concert will be taking place on Tuesday, April 5, at 7:00 PM in the high school auditorium. We look forward to supporting and enjoying the outstanding talents of our student musicians from all of our schools. The World Language International Dinner hosted by the High School World Language Honor Societies will take place in the Satz School cafeteria on Thursday, April 7 at 6:00 PM. After many months of limited community events, I hope you will join us for food, fellowship, and entertainment.

On behalf of Principal Loughran and the Satz middle school staff, I would like to thank all those parents and guardians who came out and attended the rising seventh grade orientation on Wednesday night. I congratulate you and your children for reaching this milestone in their educational careers. I thank you for your engagement and partnership, and wish your children all the best as they continue on their educational path in our outstanding middle school.

I had the opportunity to attend the high school spring musical “Oklahoma” last weekend and would like to extend congratulations and commendations to the amazing student performers, crew, and their dedicated staff advisors. It was a terrific production and a true testament to the talent of our students and the quality of our program. I look forward to continuing to lend my support and enthusiasm to the district's arts programs.

In closing, I would like to wish all of our community members observing Ramadan, a month which ushers in for you and yours peace, happiness, and prosperity.

I thank you in advance for your time and consideration and wish you all the best for a restful and enjoyable weekend.

Sincerely,
