Good Evening Board Members and Esteemed Community,

I trust this message finds you all in good health and high spirits. I would like to take this opportunity to share some key highlights and developments from our district over the past month. It is with great pride that I report on our collective efforts to foster a positive and inclusive learning environment.

**Live Holmdel Blue:**

Our district's "Live Holmdel Blue" program has continued to gain momentum, emphasizing the importance of positive behavior, respect, responsibility, kindness and citizenship within our school community. This initiative is a testament to our shared commitment to nurturing a supportive environment that fosters personal growth and social development.

**National Suicide Awareness Month - September:**

As we recognize September as National Suicide Awareness Month, we are reminded of the significance of promoting mental health and well-being. Our district remains dedicated to providing resources, support and education to address this critical issue and ensure the welfare of our students.

**Week of Respect:**

Next week, we will celebrate the "Week of Respect" within our schools. This annual observance underscores our commitment to cultivating a respectful and inclusive atmosphere where every member of our school community is valued and honored.

**Student-Athletes' Achievements:**

Mr. Reddy mentioned something about it but our student-athletes have once again demonstrated their dedication, perseverance and talent. We celebrate their outstanding achievements on and off the field recognizing the discipline and teamwork that they exemplify in representing our district. As I always do, I have had an opportunity to get out to a number of events. I try and get out to, at least, one of every game, regardless of level and represents one of my favorite things to do. It also gives me an opportunity to interact with our parents and guardians, which is always an enjoyable experience for me. Thank you all for always making me feel so welcome.

**Back-to-School Nights:**

Our recently held Back-to-School Nights were met with an overwhelmingly positive response from our parents and guardians. The robust attendance and active participation demonstrated the strong partnership between our schools and families. These events are instrumental in fostering open lines of communication and reinforcing our shared educational goals.

**Strategic Plan Progress:**

Our ongoing efforts in advancing our strategic plan remain a priority. This comprehensive roadmap for our district's future continues to guide our decision-making and shape our educational priorities. We are committed to the continual evaluation and refinement of our goals.

**Parent Survey on Communication Practices:**

In the near future, we will launch a parent survey to gather valuable feedback on our communication practices. This survey will help us better understand your preferences and expectations, enabling us to enhance our communication efforts and keep you informed effectively as pursuant to one of the goals in our strategic plan.

**Acknowledgment of School-Based Parent Groups:**

I would like to acknowledge our School Parent Groups and extend my heartfelt gratitude to them for their unwavering support and dedication. Their efforts in organizing welcome back luncheons for our staff and events like the recent Fall Fest at Village underscore their commitment to our school community's well-being.

In conclusion, I would like to emphasize that these achievements and initiatives are a collective endeavor, made possible by the tireless dedication of our staff, the involvement of our parents and guardians, and the hard work of our students. As we continue to work together to enhance the educational experience of our children, I am confident that we will achieve even greater success in the future.

Thank you to the Board and the community for your attention, and I look forward to our continued collaboration as we strive to make Holmdel School District the best it can be and that, Mr. President, is my report.

After the Roll Call Votes concluded, Mr. Reddy read the following statement:

Ladies and gentlemen, esteemed members of the Holmdel School Community,

I would like to address the recent vote taken by the Holmdel Board of Education. We understand that this decision has stirred discussion and inquiry within our community, and it is our responsibility to provide clarity and transparency.

Our decision to rescind a board policy related to transgender students was influenced by a critical factor. It pertains to the initial communication of this policy to the Board of Education by our policy consultant, Strauss Esmay, who indicated that this policy was legally mandated when, in fact, it was not. This crucial discrepancy denied the Holmdel Board of Education the opportunity to thoroughly consider the policy as a whole. It is imperative that our community understands the context surrounding our decision

The Board of Education takes its role in policy development with utmost seriousness. Our objective is to create policies that not only adhere to legal requirements but also strike a reasonable and equitable balance between students' and parents' rights. It is essential to emphasize that the relevant federal and state statutes underpinning this policy remain in full effect. Our commitment, as the Board of Education, along with our administration and staff, to operate in a strict alignment with these laws is unwavering.

AGENDA  
REGULAR BUSINESS MEETING  
HOLMDEL HIGH SCHOOL  
SEPTEMBER 27, 2023 6:00 P.M.  
PUBLIC MEETING APPROXIMATELY 7:00 P.M.

Our district's dedication to fostering safe and affirming spaces for all students remains resolute. The rescission of this policy should not be construed as a departure from this commitment. Rather, it presents us with an opportunity to reevaluate the policy from a more accurate perspective as an elective policy.

We extend our heartfelt appreciation to all committee members and community members who have dedicated their time and provided input. We firmly believe that the resulting policy will be enriched through this collaborative effort.

In the spirit of open dialogue and shared values, we pledge to engage with our community throughout this process. Your voices and perspectives are integral as we progress in reshaping a policy that reflects our collective commitment to the well-being of our students and our community.

I would also like to inform you that, following due procedure, there will be a second vote to confirm the rescission at the next public Board of Education meeting. We value your participation in this democratic process, and we encourage you to continue to be actively engaged.

Thank you for your attention, and we look forward to working with everyone for the betterment of this district.

O. Old Business - None

P. New Business

- Mr. Wall stated the Policy Committee is meeting next week and requested that the lines of communication remain open.

Q. Questions or Comments from the Public

- Jakob Pender, Nonresident, asked if there needs to be a second vote on this resolution. Ms. Gilfillan advised that, as per the district's bylaws, it does require a second (confirming) vote. In response to that, Mr. Pender urged the Board to keep this policy in place until they are ready to adopt a new policy to replace the abolished one.

R. Executive Session (if required) – None

S. Adjournment

Board President Reddy called for a motion to adjourn the meeting. Mr. Wall motioned, Mrs. Tuccillo seconded and by a unanimous voice vote, the meeting adjourned at 10:14 p.m.

Respectfully Submitted,

Michael R. Petrizzo, CPA  
Business Administrator/Board Secretary
