AGENDA

1. 21-22 Budget
 - a. Presentation
2. Township PILOT Program - CR committee feels that we should ask the town to support sidewalk and road paving projects using Pilot monies rather than the school budget.
3. District Social Media Review
 - a. Updating Website - District has started updating the website. A major effort will take place in July 2021
 - b. Baseline for Social Media Use - Will be established this summer. Currently, administrators have been directed to increase their use of social media, update school websites, etc.
4. Items for the good order of the committee:
