

HOLMDEL TOWNSHIP PUBLIC SCHOOLS *Office of the Superintendent*

March 21, 2022

Dear Holmdel Public Schools Community,

I hope this finds you all well. Yesterday, we celebrated the first day of spring and with it, a time of renewal. It is with this spirit in mind that I begin my first official day in Holmdel as your Superintendent of Schools.

Over the course of the last two and a half months, I have engaged in a variety of transition activities. This time has enabled me to become acquainted and establish working relationships with the Board of Education, district administration, district staff, parents and students.

I begin my tenure with relatively little fanfare but with an immediate commitment, enthusiasm, and energy to lend my expertise, efforts, and work ethic to not only maintain the positive momentum of the school district but to begin our work in elevating Holmdel Public Schools to new heights.

One thing which you can expect from me is consistent communication. In addition to weekly updates, I will maintain an active presence on Facebook *Scott Cascone*, Instagram *dr_j_s_cascone*, and Twitter *@Dr_JS_Cascone*. I welcome you to follow me in my daily work and travels throughout the school district.

I have scheduled my first Coffee with the Superintendent and Listening Session for March 29th at 7:00PM in the Holmdel High School auditorium. This will be a great opportunity for you to get to know me, and for me to learn about your aspirations and expectations of your children and our school district.

I thank you in advance for your time and consideration and wish you a terrific week ahead.

Sincerely,
