SCHOOL PROFILE 2024-2025

MISSION STATEMENT

The mission of the Holmdel Township Public Schools is to provide a comprehensive and caring educational environment that will develop the potential of every pupil into achievement. In partnership with our community, the school district will support all our pupils' efforts to meet and exceed the New Jersey Student Learning Standards, and to become responsible and resourceful citizens and life-long learners.

SCHOOL AND COMMUNITY PROFILE

Holmdel High School has served the municipality of Holmdel since the doors opened in 1970. In fulfilling Its mission, the district provides the most up-to-date facilities and programs. Our recent 40-million-dollar referendum renovated and expanded building and athletic facilities in order to provide an outstanding education for our student population. A suburban community of approximately 17,000 residents, the district is located in central New Jersey approximately 45 miles south of New York City and 60 miles north of Philadelphia. Holmdel is home to technology leaders such as Bell Works (site of the former Bell Labs) and Vonage. Holmdel Park provides extensive nature trails and athletic fields creating a rural feel. The area has been recognized as one of the top suburban communities in the region by The New York Times and NJ Monthly.
