

Sunflowers for Soldiers 7th Grade Trip

In honor of this upcoming Memorial Day, Satz seventh graders took a trip to the Vietnam Veterans Memorial & Museum right here in Holmdel, NJ. Sunflowers for Soldiers, a local nonprofit organization created by Meagan Solomon, in cooperation with Chantal Simonelli, Principal of Satz School, sponsored the 7th grade field trip which took place across 2 days and four separate trips.

A heartfelt day thank you to Ms. Solomon & Sunflowers for Soldiers <https://sunflowersforsoldiers.org/> and to the museum <https://njvvmf.org/> for a wonderfully planned trip! Our students learned so much thanks to tours led by Leo, a 97yr old World War II Veteran, 3 tour Vietnam Vet John & a retired educator who shared their stories during the tour. The knowledge and passion of the tour guides made it an unforgettable experience.

Sunflowers for Soldiers is dedicated to raising support and awareness for our soldiers, our veterans, and their loving families and is dedicated to "Growing Patriotism Through Education". Donations for Sunflowers for Soldiers (EIN 88-4172117) are always welcomed and appreciated.
