

Standing up to Intolerance Fieldtrip

Mrs Crimoli's Standing Up to Intolerance class took a field trip to Brookdale's @Chhange_BCC Center for Holocaust, Human Rights and Genocide Education. Pictured below is Claire, a survivor of the Holocaust, sharing memories of her experience through art with the Satz SUTI students. The students had the unique opportunity to sit down in small groups with 2 Holocaust survivors. Students heard from either Eva or Claire, and were able to learn about their experiences first hand, and ask questions. Students also explored Holocaust survivor John Woolf's suitcase, reviewing his letters and personal mementos. Additionally, the trip included time in the Holocaust exhibit, which boasts the largest selection of Holocaust archives and artifacts in the state of NJ.
