

To: Holmdel Township Board of Education

From: Chair, Building, Grounds, & Safety Committee

RE: June 19, 2015 Notes

Attending: Mr. Sockol (chair), Mr. Hammer, Ms. Kline, Mr. Reddy (via telephone), Ms. Duncan, Mr. Petrizzo, and Mr. Scala.

The Building, Grounds, & Safety Committee met on June 19 to discuss the following matters:

- Mr. Scala provided the following overview of busing activities for the past school year and plans for the upcoming school year:
  - a. The district will begin to review cul-de-sacs within the district to determine an appropriate and safe approach for addressing the transportation needs of children living within them.
  - b. The average riding time for students in the district is 35 minutes.
  - c. The district has begun preparing bus routes for the next school year.
  - d. Bus passes will no longer be sent by mail. Starting with our upcoming school year, they will be posted through the Parent Portal.
- The Committee discussed the merits of a Security Resource Officer (SRO) for the district and requested more information regarding this position.
- The Committee requests that the Board reject the latest bids for the window replacement project at the High School, Satz, and Indian Hill, which would allow the District to enter into negotiations with the responsible bidders for this project.
- The Committee requests that the Board accept Mr. Petrizzo's request for the authority to set aside up to \$500K into the District's Maintenance Reserve.
- The Committee requests that the Board accept facility use requests from the JSCS and the organizers of the Shore Conference Maroon & White Basketball tournament in July.

The next meeting of the Building, Grounds, & Safety Committee will take place on July 23 at 12 noon in the central office.

Sincerely,

Mike Sockol  
Chairman, Building, Grounds and Safety Committee
