

Buildings & Grounds Meeting Notes
October 1, 2008

Present: Frank Luccarelli, Robin Wetmore, Jim Shelton, Michael Collins, Barbara Duncan, Michael Petrizzo, Bill Balicki

1. Village School Play Pavilion Update – The construction process is moving forward. The poured in place surface installation, which is the last step in the process, is scheduled to begin on October 13th. We are anticipating the “Grand Opening” to be in late October / beginning of November.

2. Roggy Field Update –

- Track Area Repair – The original contractor, American Athletics, is honoring the warranty. Repairs to the track area will be made in late October.
- Concession Stand – Bill Balicki updated the committee on the Booster Club’s progress on the refurbishment of the concession stand. Bill will gather information regarding the cost associated with the new septic system.

3. Facility Use Applications - The committee favored two requests that will be on the October 15th BOE agenda.

4. Other Matters –

The committee discussed the technology deployment status report, which will be presented at a future BOE meeting by Anthony Gattini.

The committee discussed the upcoming presidential election; Village School and W.R. Satz School are polling locations.

Next Meeting: November 5, 2008 5:30pm

Respectfully submitted,
Robin Wetmore
