

Community Relations Meeting Notes

March 30, 2015

Present: Barbara Duncan, Gerilyn Kessler (Community Day), Robin Wetmore, Chiung-yin Liu, Dennis Pavlik, John Martinez

1. District Staff Web Pages – The committee discussed staff web pages. Administration will continue to encourage use of individual staff webpages through support and professional development by the technology department. Also, the use of web pages by staff members is a factor used during the annual review process.
2. Board of Education Liaisons to Support Groups – After discussing this suggestion the committee did not recommend moving forward with this concept.
3. Community day – April 25, 2015 - The committee discussed what handouts to have available. Lara Carducci, Coordinator of Childcare Enterprise Programs will attend with information on the various programs offered. Also, copies of the HHS profile and Program of Studies if available. The committee discussed the possibility of getting a table cloth/banner and t-shirts/jackets for board members to wear at the event. The students in the graphic arts department created possible logos to be used. With spring break approaching and no board meeting we have a very short window of time to make an order. A sign up form will be distributed to board members to divide up the day.

Next meeting: April 30, 2015 10:30am

Respectfully submitted,
