Out of District 14

Pre School 16 4 year and 8 three year old typical

Unified Game Day, Great Day, 250 athletes attended. The weather was great and all of the athletes had a wonderful time.

The committee reviewed and discussed the Consultants for 2016-2017 and going to be voted on June 29th agenda. We also had discussion around Summer Orientation and Mobility. For this summer this consultant will do both Orientation and Mobility and Yoga.

The district will be seeking approval on June 15 for a new Job Description the Job title will be Orientation and Mobility Specialist. This position has been in place through a consultant. The cost for this position is within our budget and will not increase cost. The position will be filled over the summer with a start date of September.

Cohort V Indicator 14, High School Team will be calling former high school students from last year as a follow up to see what they are doing post-graduation as part of a State program

Extended School Year Program, All staffed, our students will be working in Best Market and Barnes and Noble.

Township and Sabrina Conlon donated a piece of land in the community garden for students. The students will be working on the garden during the ESY program. Our staff will help maintain the garden when school is not in session or off. (A resolution will be provided on the next board agenda).

School wide guided Inc. is a company that we are considering purchasing a Reading/Special Ed program to help us pilot a reading program. This pilot program will provide additional education material and professional development for our staff. This is being reviewed in the C & I committee.

Our next meeting date will be July 13th.
