

SPECIAL SERVICES COMMITTEE NOTES---MAY 2011

ITEMS FOR DISCUSSION

Special Services Overview—an overview of the district's special education program was presented by Meryl Gill, Director of Special Services, for the purpose of updating the new committee members. The discussion focused on a description of district programs and services. The district STRIVE program was also discussed in terms of transition experiences. The expansion of the program was also discussed.

Pre-School Disabled Program—the district will continue to have students in the program next year as well as tuition students.

ESY Program—the ESY program will be moved to Indian Hill this summer do to repairs on the roof of Village School—preparation is under way for a smooth transition.

Transition Committee Autism Update-the committee continues to meet and receive professional development—targeted professional development for teachers of specials.
